Blackstone Valley Angel of Hope

The Blackstone Valley Angel of Hope was dedicated on August 16th, 2008. Thanks to all of your support, last year's golf tournament raised over \$10,000 to fund phase III of the memorial which included a much needed 4,000 sq ft. paver entranceway. This year's golf tournament will fund Phase IV of the memorial which will include: Lanterns to light the entranceway, a fence, and flower beds. A portion of the proceeds will also be sent to the Trisomy 18 Foundation.

"The Christmas Box Angel Statue was introduced to the world in the book, "The Christmas Box" which was written by Richard Paul Evans and is about a woman who mourns the loss of her child at an angel monument. The angel once existed but is said to have been destroyed. The new angel statue was commissioned by Richard Paul Evans, in response to reports that grieving parents were seeking out the angel as a place to grieve and heal.

Mission

In memory of our daughter Sadie Grace Pomeroy, and all other children which the world has lost regardless of age or reason, the Blackstone Valley Angel of Hope Memorial Garden was built in remembrance of them.

It is a place where families can go to reflect, find comfort solace and peace. The children's memorial is located in Uxbridge, MA in the heart of the Blackstone Valley.
